WORK EXPERIENCES

Web Integrator (Freelance subcontractor) | **HAMAC** | February 2023 | Toulouse, France

- Integrated 2 pages of a WordPress website using WP Bakery for Hamac's client : domaine-dampierre.com and domaine-dampierre.com/seminaire-yvelines
- Collaborated with the designer and SEO Manager to ensure the website's functionality and search engine optimization were up to standard.

Front-end Developer | **SOGETI** | March 2022 - February 2023 | Toulouse, France

- Employed by SOGETI to work on behalf of SANOFI as part of a Capgemini cross-entity team.
- Responsible for the front-end development of a data management tool used for pre-clinical studies.
- Collaborated with back-end developers and designers to ensure the tool meet the client's and users' expectations.
- Used SCRUM methodology as part of the development process, participating in SCRUM events as a developer and leading meetings as a replacement for the scrum master when needed.
- Developed the tool using JHipster.

Full-stack Developer (Intern) | **INCONITO AGENCY** | April - September 2021 | Toulouse, France

- Custom theme development and maintenance using Drupal and WordPress for clients such as canal-du-midi.com, xvparlementaire.fr, and groupeorion-oncologie-radiotherapie.fr.
- Participated in the creation of functional specifications and provided time estimates and planning.
- Demonstrated the ability to work in a fast-paced, deadline-driven environment.

Web designer & Front-end Developer | **TOXIPLAN** | November 2020 - June 2021 | Toulouse, France

- Took charge of the UX/UI design and front-end development of a web-application for data and documentation management using React and Material UI.
- Collaborated with diverse disciplines, including legal advisors and sociologists, within an agile environment.

Full-stack Developer (Intern) | **BLUEHELPER.FR** | June - August 2020 | Toulouse, France

- Developed and debugged functionalities for bluehelper.fr, a website to post and find missions in the medical and charity field, using SMARTY (PHP, HTML, CSS).
- Took charge of the technical team of interns, helping to organize and distribute tasks according to their skills.

Graphic Designer (Intern) | **PGO AGENCY** | April - June 2018 | Toulouse, France

- Designed Instagram visuals for Pitta Rosso and the agency's press releases.
- Developed design proposals for logos and promotional items.
- Assisted the team in organizing and executing the agency's main event, the MAP festival.
